ABOUT

What's going on family? It's your boy, Ace Anderson, artist, plant-eater, & truth speaker also known as Ace of All Trades: The Modern Renaissance Man. I am an award-winning actor, rapper, filmmaker, founder and creative director of The Striped Heart a world class design based production company. With a background in improv theater and a BFA in Acting from Southern Methodist University, I am blessed to use my multidisciplinary creative abilities to share high quality comedic content that keeps viewers constantly engaged with

my colorfully artistic journey. From filming movies and television shows to writing music with my singing vegan queen, there are countless opportunities to create meaningfully entertaining media featuring professional film, tv, and stage actors, candid conversations, philosophical concepts, travel vlogs, behind-the-scenes, fashion, and of course, endless laughter.

Recently, I've been featured on Access Hollywood, CBS, TBS, Peacock, Hulu, Yahoo News, Broadway World, and more.
